

# AIA CONFERENCE ON ARCHITECTURE

## Exhibitor Booth Profile Setup

Think of your exhibitor booth profile as a virtual store front that can be open months before the show. This is where attendees go when researching your company.

Here's how to edit your online booth profile.

1. Go to the exhibitor page of the conference website at [conferenceonarchitecture.com/for-exhibitors](http://conferenceonarchitecture.com/for-exhibitors)
2. Click the Exhibitor Portal button in the right rail
3. Log in using your company's eCode.

## Exhibitor Sign-in

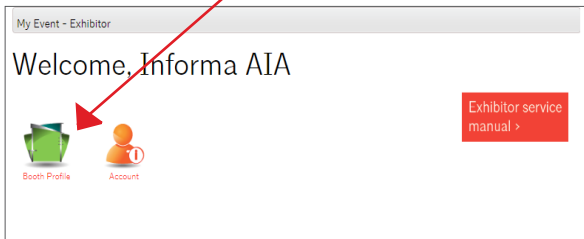

Enter your company password/eCode

eCode:

4. Click on the booth profile icon, edit and save your changes.

## Upgrade your online booth profile

Consider upgrading your online booth profile. Exhibitors with upgraded profiles receive 25% more visibility.

An upgraded booth profile includes:

- Company logo on website
- Company logo on mobile app
- Two press releases
- One video

Upgraded profiles are available for only \$500. Contact your account executive to upgrade.
